**excellence in craft awards
call for entries**

aia iowa excellence in craft awards

Recognizing Iowa craftspeople and / or companies who demonstrate particular skill and inventiveness in the execution and incorporation of their craft into our built environment.

Every project can only be as successful as its quality in design and execution. As a profession, we recognize the collaborative effort that is required to progress and create designs that inspire movement in design and the community. It is the craftspeople and companies that allow these intangible ideas to become reality. Through the Craft Award we recognize the importance of skill and inventiveness in execution to elevate design.

Eligibility

- Entries shall be elements or objects from projects of all scales.
- Constructed by Iowa craftspeople and / or companies from projects by AIA Iowa Member Firm or Allied Member.
- Project must have been completed within the last five (5) years.
- Projects need not be located in Iowa.
- Any project that has previously received an Excellence in Craft Award by AIA Iowa may not be entered.
- An individual or firm may submit an unlimited number of entries.
